

# Gate Burton Energy Park

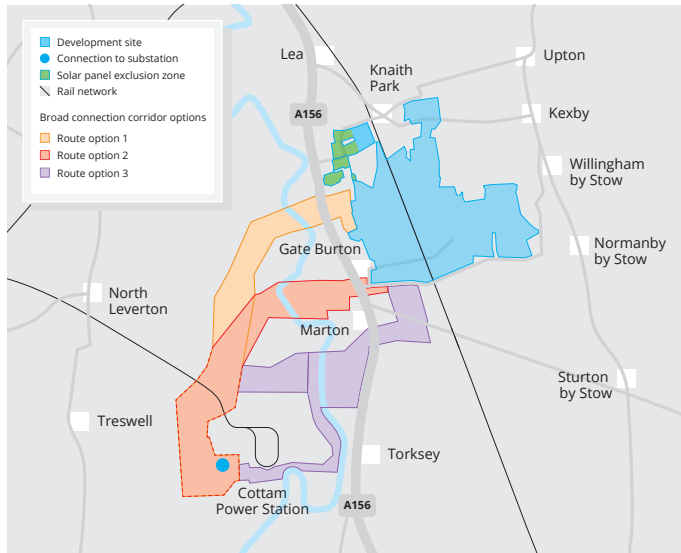

Community consultation – 11 Jan to 18 Feb 2022

## Low Carbon invites you to take part in this initial consultation on our early proposals for Gate Burton Energy Park and its connection into the national grid at Cottam Power Station in Nottinghamshire.

This new solar and energy storage park, located at Gate Burton in Lincolnshire, has the potential to generate around 500 megawatts (MW) of electricity – enough clean energy to power over 160,000 homes and avoid more than 100,000 tonnes of CO<sub>2</sub> emissions every year.

**Consultation is open from 11 January to 18 February 2022**

## Find out more

Join us at any of the in-person or online information events we're holding to meet the project team, find out more about our proposals, and provide your feedback.

### Events taking place

<b>Tue 25 Jan</b> 18:30 - 20:00	<b>Online event</b> – register to attend via our website: <a href="http://www.gateburtonenergypark.co.uk/onlineevents">www.gateburtonenergypark.co.uk/onlineevents</a>
<b>Wed 26 Jan</b> 14:30 - 20:00	Knaith Park Village Hall, Willingham Road, Knaith Park, Lincs, DN21 5ET
<b>Thu 27 Jan</b> 14:30 - 20:00	North Leverton Methodist Chapel, Sturton Road, North Leverton, Notts, DN22 0AB
<b>Tue 1 Feb</b> 14:30 - 20:00	Treswell Village Hall, Town Street, Treswell, Notts, DN22 0EG
<b>Thu 3 Feb</b> 12:30 - 17:00	Willingham Village Hall, High Street, Willingham-by-Stow, Lincs, DN21 5JZ
<b>Sat 5 Feb</b> 10:30 - 14:00	Marton & Gate Burton Village Hall, Trent Port Road, Marton, Lincs, DN21 5AR
<b>Tue 8 Feb</b> 18:30 - 20:00	<b>Online event</b> – register to attend via our website: <a href="http://www.gateburtonenergypark.co.uk/onlineevents">www.gateburtonenergypark.co.uk/onlineevents</a>

The health and safety of our team and the public is of utmost importance. Therefore, given the evolving situation regarding the Covid-19 Omicron variant, please check the website for any updates prior to attending our events.

## Tell us what you think

We'll consider all feedback submitted to the consultation, along with the findings from our preliminary environmental and technical surveys, to refine the design for the scheme and route for the electrical connection from the energy park to Cottam substation.

A further stage of consultation on our detailed proposals will be carried out before we submit our application to the Planning Inspectorate.

**Deadline for feedback: Friday 18 February 2022**
